About the Position

The Program Manager (PM) will play a pivotal role in **planning, executing, and managing** GDC's in-person and online programs. The PM will coordinate with faculty, instructors, mentors, and start-up teams to ensure smooth execution of training initiatives.

The role demands a **highly organized, proactive, and resourceful individual** who can handle administrative, communication, and operational aspects of multiple projects simultaneously. The PM will also manage office

administration, budgeting, and accounting related to GDC activities.

This position offers an excellent opportunity to develop **program management, communication, and leadership skills** in a dynamic academic and entrepreneurial ecosystem.

Key Responsibilities

- Plan, organize, and coordinate **GDC programs, webinars, and workshops**.
- Communicate with **instructors, mentors, and participants** to ensure timely execution.
- Maintain **program data, documents, and MIS reports**.
- Manage **accounts and administrative operations** of GDC.
- Support event promotion and outreach activities.

About GDC, IIT Madras

GDC works with STEM universities across India to implement a 'Lab to Market' mission by helping faculty, researchers, and students commercialise their research through startups. GDC's flagship program, I-NCUBATE, has found wide acceptability across several universities and incubators. GDC is scaling I-NCUBATE and other programs in collaboration with other universities, industry, and government to more than 500 colleges. The work environment is very professional and congenial.
